

# FREE SAMPLE – Setup Guide

Hey friend,

Thanks for downloading the **FREE Sample Pack**! I'm stoked to have you join this artistic journey. If you enjoy these and want to get more minimalist wallpapers for your iPhone & iPad then head to my shop - [heyimpatrice](https://heyimpatrice.com)

## How to Set Up on iPhone or iPad

1. Click the Google Drive link below.
2. Tap "Add shortcut to Drive" — this lets you access future drops instantly.
3. Download your favourite wallpapers.
4. Save them to your Photos app.
5. Open Photos → Share → Use as Wallpaper.
6. Adjust (pinch to size) to your liking.
7. Tap Add to set as wallpaper.

  **Tip:** Wallpapers are sized for the largest iPhone but work on all devices. If it doesn't line up perfectly, just reposition it before tapping "Add."

## Stay Updated

This isn't a one-time drop — I'll be releasing new wallpapers regularly! Follow me to see sneak peeks, freebies, and the next drop:
